

Vaccinations Required for ALL CAMPERS

To attend camp all campers must be fully vaccinated in accordance with the PA Department of Health

LIST 1

- 4 doses of tetanus, diphtheria, and acellular pertussis (1 dose on or after the 4th birthday)*
- 4 doses of polio (4th dose on or after 4th birthday and at least 6 months after previous dose given)**
- 2 doses of measles, mumps, rubella***
- 3 doses of hepatitis B
- 2 doses of varicella (chickenpox) or evidence of immunity

*Usually given as DTP or DTaP or if medically advisable, DT or Td

**A fourth dose is not necessary if the third dose was administered at age 4 years or older and at least 6 months after the previous dose

***Usually given as MMR

Because our campers live in a communal environment, for campers below the meningococcal vaccine (MCV) age requirement of entering 7th grade or AGE 12, it is strongly recommend that you consult your child's physician regarding the advisability of receiving the vaccine at a younger age.

The following Vaccinations are REQUIRED prior to camp for ALL entering 7th grade or AGE 12

LIST 2

- List 1
- 1 Dose of tetanus, diphtheria, acellular pertussis (Tdap)
- 1 Dose of meningococcal vaccine (MCV)

The following vaccinations are REQUIRED prior to camp for ALL campers entering 12th grade or AGE 17 and above

LIST 3

- List 1
- List 2
- 1 Dose of Meningococcal Vaccine (MCV) given after age 16.

Requirements from the Pennsylvania Department of Health "School Vaccination Requirements for Attendance in Pennsylvania Schools" which can be found in 28 Pa.CODE CH.23 (School Immunization).
